Ideas

01 Consult with Eco-Health Experts

02 Schedule Meetings and Workshops

03 Plan Community Events

04 Organise Meetings

Organise & Manage

Idea 1 Consult with Eco-Health Experts

Idea	Street Art: Collaborate on Mural Project Proposals
Description	By following this step-by-step plan, your eco-tourism campaign will effectively attract, engage, and inspire travelers while promoting sustainability and active lifestyles!
Tool (s) Needed	Google Workspace
How	Use Google Docs to draft collaborative funding proposals for mural projects, allowing team members to edit, comment, and track updates in real time. This tool enables easy collaboration, ensuring all contributors are aligned on design concepts, project goals, and funding strategies. https://workspace.google.com/
Other Examples	<ol style="list-style-type: none">1. Eco-tourism: Organize Consultations for Sustainable Tourism or Eco-health Projects2. Culture & Heritage: Collaborate with Architects, Heritage Experts, and Local Historians for Proposals and Applications.

Organise & Manage

Idea 2 Schedule Meetings and Workshops

Idea	Eco-tourism: Organize Cross-Functional Discussions for Eco-Tourism Ideas
Description	By following this step-by-step plan, your eco-tourism campaign will effectively attract, engage, and inspire travelers while promoting sustainability and active lifestyles!
Tool (s) Needed	Microsoft Teams
How	Use Microsoft Teams to organise cross-functional discussions with stakeholders to plan eco-tourism projects and share resources. This platform enables real-time collaboration, document sharing, and seamless communication, ensuring all team members are aligned on sustainable tourism goals. Teams help you connect with diverse stakeholders, track progress, and manage tasks effectively, making it ideal for planning eco-tourism initiatives. https://www.microsoft.com/en-ie/microsoft-teams/free
Other Examples	<ol style="list-style-type: none">Food and Events: Schedule with Stakeholders to Organise Sustainable Dining WorkshopsEco-tourism: Organize Workshop for Logistics on Sustainable Tourism Projects

Organise & Manage

Idea 3 Plan Community Events

Idea	Health & Wellbeing: Plan Community Wellness Events
Description	By following this step-by-step plan, your eco-tourism campaign will effectively attract, engage, and inspire travelers while promoting sustainability and active lifestyles!
Tool (s) Needed	Trello
How	Use Trello to plan and organise community wellness events by creating task lists, assigning responsibilities, and collaborating with community partners in real time. This visual tool helps keep everyone on track, ensuring seamless coordination and timely execution of wellness initiatives. https://trello.com/
Idea	Sports and Activities: Plan Real-Time Logistics for Local Sports Events
Tool (s) Needed	Google Meet
How	Use Google Meet to host real-time planning sessions with trainers, event organisers, and other stakeholders. Discuss event logistics, schedules, and resources, ensuring smooth coordination and effective communication for a successful, well-organized sports event. https://meet.google.com/

Organise & Manage

Idea	Food and Events: Organize Sustainable Food Events
Tool (s) Needed	Google Workspace
How	Use Google Sheets to plan menus, schedules, and budgets for sustainable food events while collaborating with team members in real-time. Create event pitches in Google Slides, sharing visually appealing presentations with potential sponsors or partners. This integrated approach ensures seamless planning and effective communication for eco-conscious events. https://workspace.google.com/
Idea	Sports and Activities: Promote Eco-Conscious Sports Initiatives
Tool (s) Needed	Google Slides
How	Use Google Slides to design engaging promotional materials for eco-friendly sports events and initiatives. Store event resources securely in Google Drive, ensuring easy access and collaboration with team members. This streamlined approach allows for effective planning, promotion, and sharing of resources in one centralised space. https://workspace.google.com/

Organise & Manage

Idea 4 Organise Meetings

Idea	Food & Events: Schedule Sustainable Dining Workshops
Description	By following this step-by-step plan, your eco-tourism campaign will effectively attract, engage, and inspire travelers while promoting sustainability and active lifestyles!
Tool (s) Needed	Calendly
How	Use Calendly to schedule menu planning sessions or workshops with chefs and local producers, promoting sustainable dining practices. This user-friendly tool allows participants to easily book available time slots, ensuring smooth coordination and collaboration for eco-conscious food events. https://calendly.com/
Idea	Eco-tourism: Organize Consultations for Sustainable Tourism
Tool (s) Needed	Calendly
How	Use Calendly to schedule consultations with community leaders, allowing for seamless coordination of meetings to refine and develop sustainable tourism initiatives. This tool enables easy booking of time slots, ensuring efficient discussions and collaborative planning for eco-tourism projects. https://calendly.com/
Idea	Eco-tourism: Organize Logistics for Sustainable Tourism Projects
Tool (s) Needed	Trello
How	Use Trello to manage and organise the logistics of sustainable tourism projects. From designing itineraries to coordinating with stakeholders, Trello's visual task boards allow you to efficiently track progress, assign tasks, and ensure all aspects of your eco-tourism initiatives run smoothly. https://trello.com/

Organise & Manage

Tools Needed

Organise & Manage	<p>Calendly is an automated scheduling tool that simplifies meeting coordination. Eco-health entrepreneurs can use it to manage appointments efficiently, saving time and ensuring smooth communication. https://calendly.com/</p>
	<p>Google Workspace provides tools for collaboration, document sharing, and productivity, including Gmail, Docs, Sheets, Slides, and Drive. Eco-health entrepreneurs can use it to streamline operations, centralise documentation, and enhance remote teamwork. https://workspace.google.com/</p>
	<p>Microsoft Teams is a collaboration platform that combines chat, video meetings, file storage, and project management. Eco-health entrepreneurs can use it to coordinate, share updates, and collaborate efficiently on sustainability initiatives. https://www.microsoft.com/en-ie/microsoft-teams/free</p>
Present & Collaborate	<p>Google Meet is a video communication tool for real-time meetings directly from your browser. Eco-health entrepreneurs can use it with Google Workspace to simplify scheduling and collaborate seamlessly through Docs, Sheets, and Slides. https://meet.google.com/</p>
	<p>Google Slides is a cloud-based tool for creating, editing, and collaborating on presentations in real time. Eco-health entrepreneurs can use it to deliver impactful presentations that engage stakeholders and showcase their projects. https://docs.google.com/presentation/create</p>
Organise & Manage	<p>Trello is a visual project management tool that organises workflows with boards, lists, and cards. Eco-health entrepreneurs can use it to manage projects, keeping teams informed and aligned.</p> <p>Health & Wellbeing: Plan community wellness events by creating task lists and collaborating with partners in real time.</p> <p>Eco-tourism: Organize logistics for sustainable tourism projects, from itinerary design to stakeholder coordination. https://trello.com/</p>
