Contents

Ideas

01 Network with Professionals

02 Build an Online Community

Network & Community

Idea 1 Network with Professionals

Idea	Sports and Activities: Organise And Host Workshops To Promote Eco-Friendly Sports Practices and build professional connections.
Description	By following this step-by-step plan, your eco-tourism campaign will effectively attract, engage, and inspire travelers while promoting sustainability and active lifestyles!
Tool (s) Needed	Mural
How	Plan and host eco-friendly sports workshops by collaborating with teams, communities, and stakeholders using Mural . This digital workspace allows for brainstorming session design and visual planning in real-time, enabling you to create impactful sports activities that align with sustainability goals. Use Mural to map out event logistics, strategize on eco-friendly sports practices, and engage participants in creating a healthier and more sustainable sporting community. By visually organizing concepts and feedback, you can foster collaboration and professional connections while promoting environmental awareness through sports. https://mural.co/
Other Examples	<ol style="list-style-type: none">1. Eco-tourism: Connect and Network with Professionals Via LinkedIn2. Eco-tourism: Network using Mighty Networks to enable ongoing collaboration

Network & Community

Idea 2 Build an Online Community

Idea	Culture & Heritage: Collaborate on Sustainable Design Collaboration
Description	By following this step-by-step plan, your eco-tourism campaign will effectively attract, engage, and inspire travelers while promoting sustainability and active lifestyles!
Tool (s) Needed	Bauhaus Toolbox
How	Collaborate on eco-health ideas and create and apply sustainable design principles that promote community well-being while preserving cultural and natural heritage. Use the Bauhaus Toolbox to create projects that honour traditions, safeguard the environment, and promote long-term sustainability. Bauhaus Toolbox .
Idea	Street Art: Create a Digital Gallery for Mural Designs to Encourage Community Engagement and Feedback
Tool (s) Needed	Bauhaus Padlet
How	Use Padlet to create a digital gallery where artists can upload mural designs and receive input from the local community. This platform allows for easy collaboration and feedback, ensuring that the artwork aligns with sustainability themes. Community members can leave comments, vote, and interact with the designs, helping artists refine their work based on local preferences and eco-conscious values. https://padlet.com/
Other Examples	<ol style="list-style-type: none">Culture & Heritage: Share insights on sustainable architecture and heritage preservation to educate and engage.Food and Events: Coordinate Sustainable Street Food Festivals, enabling community and creativity.

Network & Community

Tools Needed

Present & Collaborate	<p>The New European Bauhaus Toolbox: is a collection of digital resources supporting the creation of sustainable, inclusive, and beautiful environments. For eco-health entrepreneurs, it helps design eco-tourism initiatives that align with sustainability, inclusivity, and aesthetics, enabling collaboration and knowledge exchange for impactful, global solutions. https://new-european-bauhaus.europa.eu/get-involved/use-toolbox_en</p>
Collaborate and Create	<p>Mural is a digital whiteboard to present ideas, gather feedback, and collaborate in real time. Visualise concepts, refine eco-health ideas or projects, and engage stakeholders seamlessly during meetings or workshops. https://mural.co/</p>
Present & Collaborate	<p>Padlet is an interactive digital board for sharing text, images, links, and videos in real time. Eco-health entrepreneurs can use it to co-create projects, organise content, and gather feedback from communities or collaborators. It's ideal for brainstorming and showcasing work. https://padlet.com/</p>
