Nurture Connections

Idea 1 Maintain Knowledge Exchange and Engagement

Idea	Eco-tourism: Collaborate with experts, partners and stakeholders via Teams or Zoom to sustain knowledge exchange.
Description	By following this step-by-step plan, your eco-tourism campaign will effectively attract, engage, and inspire travelers while promoting sustainability and active lifestyles!
Tool (s) Needed	Bauhaus Teams or Zoom
How	<p>Collaborate with experts, partners, and stakeholders using Teams or Zoom to ensure ongoing knowledge exchange and sustainable tourism practices.</p> <p>Similarly to how Padlet is used for mural designs, Teams or Zoom can create virtual spaces for knowledge sharing where stakeholders in the eco-tourism sector can collaborate and offer input on best practices, emerging trends, and sustainable tourism initiatives. This platform enables active engagement, allowing professionals to discuss new strategies, exchange feedback, and align on eco-conscious tourism efforts.</p> <p>https://zoom.us/</p> <p>https://www.microsoft.com/en-ie/microsoft-teams/free</p>
Other Examples	<ol style="list-style-type: none"> 1. Health & Wellbeing: Maintain Engagement by Continuing to Host Online Wellness Classes or Discussions to engage participants.

Nurture Connections

Idea 2 Maintain Professional Partnerships

Idea	Sports and Activities: Use Trello to maintain efficient event planning and coordination.
Description	By following this step-by-step plan, your eco-tourism campaign will effectively attract, engage, and inspire travelers while promoting sustainability and active lifestyles!
Tool (s) Needed	Bauhaus Trello
How	<p>Use Trello to streamline event planning and coordination, ensuring the smooth execution of eco-friendly sports events.</p> <p>Trello provides a user-friendly platform for organising tasks, timelines, and team responsibilities. It allows event planners to create boards for each event, track progress, and collaborate with volunteers, sponsors, and stakeholders. With Trello's customisable features, such as checklists, due dates, and attachments, teams can ensure that every aspect of the event, from logistics to sustainability practices, is well-managed and aligned with eco-conscious goals. This tool helps enhance communication and efficiency in organising sports activities with minimal environmental impact.</p> <p>https://trello.com/</p>
Other Examples	<ol style="list-style-type: none">1. Eco-tourism: Use Calendly for easy meeting coordination with stakeholders.2. Health & Wellbeing: Host Team Meetings to strategize wellness program initiatives.3. Food & Events: Schedule workshops to strengthen partnerships with chefs and producers4. Culture & Heritage: Use Airbnb Experiences to include local musicians and chefs and local producers

Nurture Connections

Idea 3 Collaborate on Design Together

Focus on co-creating ideas, spaces, or projects with an emphasis on design.

Idea	Health & Wellbeing: Collaborative Wellness Design
Description	By following this step-by-step plan, your eco-tourism campaign will effectively attract, engage, and inspire travelers while promoting sustainability and active lifestyles!
Tool (s) Needed	Bauhaus Bauhaus Toolbox
How	Collaborate and design inclusive wellness spaces in nature, ensuring together projects are environmentally conscious, culturally enriching, and accessible to diverse groups. Use the Bauhaus Toolbox to integrate sustainability, aesthetics, and inclusivity into your wellness projects. Bauhaus Toolbox .

Nurture Connections

Idea 4 Plan and Coordinate Together

Centred on joint planning and strategising activities.

Idea	Eco-tourism: Collaborative Wellness Initiatives in Nature
Description	By following this step-by-step plan, your eco-tourism campaign will effectively attract, engage, and inspire travelers while promoting sustainability and active lifestyles!
Tool (s) Needed	Bauhaus Bauhaus Toolbox
How	Collaboratively plan and create wellness initiatives in nature, ensuring inclusivity and sustainability. Use the Bauhaus Toolbox to design culturally rich, eco-friendly tourism experiences that reflect the beauty and heritage of local environments. Bauhaus Toolbox.
Idea	Eco-health: Collaborative Sustainable Tourism Strategies
Tool (s) Needed	Miro
How	Co-create sustainable tourism strategies with fellow eco-health advocates and community members by brainstorming on the digital whiteboard, allowing for visual collaboration in real-time. Use Miro to brainstorm ideas on a digital whiteboard, organise concepts, and design impactful, eco-friendly initiatives that promote health, sustainability, and community engagement. https://miro.com/

Nurture Connections

Idea	Sports and Activities: Collaborative Planning for Eco-Conscious Events
Tool (s) Needed	Padlet
How	Organise sustainable sports events by collaborating with team members and sponsors using Padlet . Share and visually organise venue options, activity ideas, and logistics in one interactive space. This user-friendly platform enables real-time brainstorming, feedback, and updates, ensuring your sports events are eco-friendly, inclusive, and well-coordinated. https://padlet.com/
Idea	Health & Wellbeing: Host Team Meetings for Wellness Program Strategies
Tool (s) Needed	Microsoft Teams
How	Host team meetings to discuss wellness program strategies and share updates in dedicated channels using Microsoft Teams . This platform allows seamless collaboration through chat, video calls, and file sharing, helping you keep track of progress and align with your team. Use Teams to organise wellness initiatives, share resources, and communicate effectively with stakeholders. https://www.microsoft.com/en-ie/microsoft-teams/free

Nurture Connections

Idea 5 Develop and Innovate Together

Highlights collaborative execution and project development.

Idea	Street Art & Culture: Sustainable Artistic Expression
Description	By following this step-by-step plan, your eco-tourism campaign will effectively attract, engage, and inspire travelers while promoting sustainability and active lifestyles!
Tool (s) Needed	Bauhaus Toolbox
How	Develop sustainable art installations or cultural tours to ensure aesthetic and environmental harmony. Use the Bauhaus Toolbox to integrate sustainable practices into your creative projects, enabling cultural enrichment while promoting eco-conscious values.
Idea	Food and Events: Brainstorm Sustainable Festival Ideas
Tool (s) Needed	Padlet
How	Use Padlet to create a shared board for brainstorming sustainable festival ideas. Coordinate vendor participation, map out eco-conscious event layouts, and gather feedback from team members. This interactive platform allows real-time collaboration, helping you plan and organise a seamless, sustainable festival that aligns with environmental goals. https://padlet.com/

Nurture Connections

Idea 6 Organise and Host Together

Targets collaborative hosting or facilitating events and discussions.

Idea	Health & Wellbeing: Host Online Wellness Classes or Discussions
Description	By following this step-by-step plan, your eco-tourism campaign will effectively attract, engage, and inspire travelers while promoting sustainability and active lifestyles!
Tool (s) Needed	Zoom
How	Host online wellness classes or discussions on health-focused community programs using Zoom . This platform allows you to engage with participants through live video sessions, share resources, and facilitate interactive discussions on promoting well-being. Zoom's features, like breakout rooms, screen sharing, and live chat, make it easy to connect with your community and enable a supportive wellness environment. https://zoom.us/
Idea	Food and Events: Coordinate Sustainable Street Food Festivals
Tool (s) Needed	Google Meet
How	Use Google Meet to host and conduct live discussions with vendors and chefs, collaborating on the logistics, menu planning, and sustainability practices for upcoming street food festivals. Plan and organize your event efficiently with remote coordination using Google Meet. This platform allows for real-time communication, ensuring that all parties are aligned on eco-friendly practices and event details. https://meet.google.com/

Nurture Connections

Tools Needed

Present & Collaborate

Miro is an online collaboration platform that helps teams brainstorm, plan, and visualise projects. Eco-health entrepreneurs can use it to organise ideas, collaborate on eco-tourism, health, and sustainability initiatives, and implement innovative solutions. <https://miro.com/>

Prezi is an interactive presentation tool with zooming and storytelling visuals, perfect for captivating audiences. Eco-health entrepreneurs can use it to showcase sustainability projects, communicate their vision, and inspire stakeholders with creative visuals. www.prezi.com

Microsoft Teams is a collaboration platform that combines chat, video meetings, file storage, and project management. Eco-health entrepreneurs can use it to coordinate, share updates, and collaborate efficiently on sustainability initiatives. <https://www.microsoft.com/en-ie/microsoft-teams/free>

The New European Bauhaus Toolbox: is a collection of digital resources supporting the creation of sustainable, inclusive, and beautiful environments. For eco-health entrepreneurs, it helps design eco-tourism initiatives that align with sustainability, inclusivity, and aesthetics, enabling collaboration and knowledge exchange for impactful, global solutions. https://new-european-bauhaus.europa.eu/get-involved/use-toolbox_en

Zoom is a video conferencing platform for virtual meetings, webinars, and events with features like screen sharing and breakout rooms. Eco-health entrepreneurs can use it to connect with partners, host workshops, and share sustainability insights. <https://zoom.us/>

Webex is a cloud-based video conferencing platform offering HD video, real-time messaging, and file sharing. Eco-health entrepreneurs can use it for large-scale webinars, workshops, or project planning, enabling seamless collaboration with global teams and stakeholders. <https://www.webex.com/>

Nurture Connections

Tools Needed

Present & Collaborate	<p>Padlet is an interactive digital board for sharing text, images, links, and videos in real time. Eco-health entrepreneurs can use it to co-create projects, organise content, and gather feedback from communities or collaborators. It's ideal for brainstorming and showcasing work. https://padlet.com/</p>
Organise & Manage	<p>Trello is a visual project management tool that organises workflows with boards, lists, and cards. Eco-health entrepreneurs can use it to manage projects, keeping teams informed and aligned.</p> <p>Health & Wellbeing: Plan community wellness events by creating task lists and collaborating with partners in real time.</p> <p>Eco-tourism: Organize logistics for sustainable tourism projects, from itinerary design to stakeholder coordination. https://trello.com/</p>
Present & Collaborate	<p>Google Meet is a video communication tool for real-time meetings directly from your browser. Eco-health entrepreneurs can use it with Google Workspace to simplify scheduling and collaborate seamlessly through Docs, Sheets, and Slides. https://meet.google.com/</p>
